Client Testimonial:

Signing up with a Credit Co to settle your debts is a scary
move. I was fortunate to find State Capital Financial
and work with Camella Schacht. I was nervous
about SCF withdrawing money each month and
how would I get the money to pay off my bills?
My worrying was for naught - Camella checked with
me each month to make sure I was OK with the
withdrawal. She, Camella, negotiated with
my Credit Card Co. to get me the most reasonable
settlement - Camella made a distressful situation
palatable. I am out of debt - my Credit Report

*will state "Paid in Full" and a heavy weight has been
lifted from my shoulders -*

*If you find yourself drowning in debt give
State Capital a chance to help you. I did.
and I'm glad -*
